

Quality & Clinical Safety Coordinator

Full time

Carrington has an exciting opportunity for a Quality & Clinical Safety Coordinator to join our team. In this role, you will provide effective clinical governance, safety and assurance through compliance with Carrington policies, relevant legislation, regulation agencies and work instructions in accordance with Carrington Clinical Governance Framework.

You will be working closely with the Executive Team and Care Services Managers to ensure compliance with expected clinical outcomes and accreditation standards that exceeds the requirement and expectations of government regulations and accreditation agencies.

To be successful in this role you will need to meet the following:

- Relevant qualification appropriate to the position
- Demonstrated experience in Clinical Governance, Safety and Quality and Compliance roles
- Excellent time management and problem solving skills
- Excellent leadership and stakeholder management skills, strong communication skills
- Strong work ethic, integrity and stakeholder focus
- Commitment to innovation and continuous improvement
- High level of computer literacy

You will receive excellent working conditions, full NFP salary packaging, an additional public holiday each year and ongoing formal professional development. An offer of employment will be conditional upon a National Criminal History Check clearance specific to vulnerable persons.

For a confidential discussion please call Raad Richards on (02) 4659 0307 or forward your resume to recruitment@carringtoncare.com.au

Applications close: Wednesday, 2 June 2021

Carrington is committed to excellence in CARE and Quality Standards

Please Note: To be eligible to apply for this role you must be legally permitted to work permanently in Australia. Applications from outside Australia as well as unsolicited applications from recruitment agencies are not welcome and will not be responded to.
