

Physiotherapist / Occupational Therapist

48-64 hours per fortnight (negotiable)

Carrington is seeking a passionate Physiotherapist or Occupational Therapist to join our Residential and Community Care teams.

Working within a multi-disciplinary team, you will provide a comprehensive range of individual therapy, manual handling and, pain management programs and care plans for our consumers. This role requires passion and dedication to work with the elderly and a commitment to providing a quality service.

Essential criteria

- Registration with AHPRA
- Strong interpersonal and communication skills
- Excellent time management and problem solving skills
- Ability to work independently as well as in a team environment
- Intermediate computer skills

Desirable criteria

- Experience in a similar role and in the aged care industry
- Experience with computerised clinical care management systems
- ACFI knowledge would be highly regarded
- Certificate IV in Training and Assessment

We will welcome expressions of interest from newly graduated applicants.

You will receive excellent working conditions, full NFP salary packaging, an additional public holiday each year and ongoing formal professional development. Appointment to this position is conditional upon the satisfactory completion of pre-employment checks, including a National Criminal History check and Flu Vaccination and COVID-19 vaccination.

Applications must include a current resume and a cover letter addressing the position criteria above and outlining how you believe you are suitable for the role.
