CLIENT CASE MANAGER - COMMUNITY AGED CARE

- Located on beautiful grounds in South Western Sydney (near Camden)
- Highly resourced and modern facility with a great reputation
- Work within a culture built on respect and integrity

Carrington Community Care is a leading provider of Home Care Packages and Commonwealth Home Support Program (CHSP) services in Sydney's South West.

We have an exciting opportunity for a motivated Client Case Manager to join our Community Care Team on a full time basis.

Role Responsibilities include:

- Care and service coordination of Home Care Package and CHSP clients
- Attend individual client needs assessments and develop support plans collaboratively with the clients and other stakeholders
- Facilitate clinical care and referral as per client assessed need
- Provide leadership, support, mentoring and supervision of service plans with field care workers
- Develop and monitor individual client service budgets
- Maintain up to date Client Management data bases

Essential Criteria:

- Previous experience in Aged Care or Community Services
- Qualification in Nursing or Allied Health-related discipline would be advantageous
- Conversant with Home Care Packages and Commonwealth Home Support Program (CHSP) service delivery models and the Aged Care Quality Standards
- Experience in using client management software
- Current Driver's License

In return you will receive an on-call allowance, competitive remuneration, excellent working conditions, full NFP salary packaging benefit, and access to many other employee incentives.

Offer of employment will be subject to a national criminal check specific to vulnerable persons and evidence of full COVID-19 vaccination.
