

Carrington  
at Home

# Pricing Guide

Carrington understands how important it is to feel supported while living comfortably and confidently at home. Carrington at Home provides a support service for older people who wish to stay in their own homes.

We offer a variety of options for personalised care, and our team will work with you to develop a plan that suits your individual needs.

## Services Categories

### Clinical support

Specialised services to maintain or regain functional and/or cognitive capabilities. Services are delivered directly or supervised by university-qualified or accredited health professionals trained in evidence-based prevention, diagnosis, treatment, and management practices to ensure safe, high-quality care for older people, with 0% out-of-pocket contribution.

### Independence

Support that's delivered to help them manage activities of daily living and the loss of skills required to live independently. Between 5-50% out of pocket contribution.

### Everyday Living

Support to assist older people to keep their homes in a liveable state to enable them to stay independent in their homes. Between 17.5-80% out of pocket contribution
